conduct an Agency for the reception of advertisements for American Newspapers—the most complete establishment of the kind in the world. Six thousand Newspapers are kept regularly on file, open to inspection by customers. No reading-room, however complete receives one-twentieth of this number. Every Advertisement is taken at the lowest price of the paper, without any additional charge, or commission, so that an advertiser, in dealing with the Agency, is saved trouble and correspondence, making one contract instead of a dozen, a hundred or a thousand. A book of eighty pages, containing lists of best papers, largest circulations, religious, agricultural, class, political, daily and country papers, also magazines and all publications which are specially valuable to advertisers, with some information about prices, is sent free to any address on application. Persons at a distance wishing to make contracts for advertising in any town, city, county or Territory of the United States, or any portion of the Dominion of Canada, may send a concise statement of what they want, together with a copy of the Advertisement they desire inserted, and will receive information by return mail which will enable them to decide whether to increase, reduce or forego the order. For such information there is no charge whatever. Publishers not only send their files free, but pay Messrs. Geo. P. Rowell & Co. for their services. Orders are accepted for a single paper, as well as for a larger list; for a single dollar as readily as for a larger sum. Address The American Newspaper Advertising Agency. 39-41

THE SUN.

WEEKLY, SEMI-WEEKLY, & DAILY.

THE WEEKLY SUN is too widely known to require any extended recommendation; but the reasons which have already given it fifty thousand subscribers and which will, we hope, give it many thousands more, are briefly as follows:

It is a first-rate newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always presented in a clear, intelligent and interesting manner.

It is a first-rate family paper, full of entertaining and instructive reading of every kind, but containing nothing that can offend the most delicate and scrupulous taste.

It is a first-rate story paper. The best tales and romances of current literature are carefully selected and legibly printed in its pages.

It is a first-rate agricultural paper. The most fresh and instructive articles on agricultural topics regularly appear in its department.

It is an independent political paper, belonging to no party and wearing no collar. It fights for the election of the best man to office. It especially devotes its energies to the exposure of the great corruptions that now weaken and disgrace our country, and threaten to undermine republican institutions altogether. It has no fear of knavery, and asks no favors from their supporters.

It reports the fashions for the ladies and the markets for the men, especially the cattle-markets, to which it pays particular attention.

Finally, it is the cheapest paper published. One dollar a year will secure it for any subscriber. It is not necessary to get up a club in order to have THE WEEKLY SUN at this rate. Any one who sends a single dollar will get the paper for a year.

THE DAILY SUN.—A large four-page newspaper of twenty-eight columns. Daily circulation over 120,000. All the news for 2 cents. Subscription price 50 cents a month, or \$5.00 a year. To clubs of 10 or over, a discount of 20 per cent.

THE SEMI-WEEKLY SUN.—Same size as the Daily Sun. \$2.00 a year. A discount of 20 per cent. to clubs of 10 or over.

Address "THE SUN," New York City.

Dr. J. Walker's California Vinegar Bitters

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man or heir to.
